Please arrive from 8.15am for tea/coffee and networking before the conference begins at 9.00am.

The venue has full accessibility, and please let us know if you have any dietary needs.

You will be able to choose one from four separate workshops at the conference;

- **The Humber Gold Standard**

The Humber LEP's Gold Standard has been developed to improve the quality and consistency of Careers Education, Information, Advice and Guidance (CEIAG) across the Humber. It is intended to assess institutions, agencies and services that provide CEIAG to young people against a detailed and exacting process.

- **The Careers and Enterprise Company**

Where we are in Careers and Enterprise locally, what businesses are engaging and some of the exciting opportunities businesses can get involved in.

- **National Careers Week**

We are really excited that directors of National Careers Week (NCW) live and work in the Humber, informing and guiding tens of thousands of young people across the UK with careers and skills information. Find out how you can get involved with #NCW2018

- **Apprenticeships**

Find out about the support available to young people and businesses from the Humber Apprentice Brokerage Service (HABS) and HETA (Engineering Apprenticeships) and the best ways young people can find the information they need to apply.

You will get further information about the workshops at the event.
